F.B.Meyer Quote - posted by Goldminer (), on: 2007/3/4 23:22

"Parents, put your hands on those young childish heads, and speak words of Christ which will return to memory and heart long after you have gone to your reward! Ministers of religion, and Sunday school teachers, remember your tremendous responsibility to use to the uttermost the opportunity for saying words that will never die! Friend, be true and faithful to your friend; he may turn away in apparent thoughtlessness or contempt, but no right word spoken for Christ can ever really die!
