

**Miracles that follow the plow :: prayer for my uncle**

**prayer for my uncle - posted by andres (), on: 2007/3/9 12:54**

my wife's uncle got some type of infection on his finger and it spread, things dont look so good, doctors say he might not make it, please pray for him, he is about 50 years old and has 2 young daughters  
thank you  
andy

I pray God will touch your Uncle, and his Family.  
God Bless  
Nellie

thank you so much,  
we just got word a couple of hours ago that my uncle is doing much better, his fever went away and he is doing 100% better, thank you saints for praying, thank you greg for this wonderful web sight  
and thank you God for being so wonderful,  
love  
andy

We aren't stopping our prayers just yet- I'm glad he is so much better, but until he is safe at home, completely healed, I'll keep praying.

Be comforted, Andy.
