Dear Christian,

Coming so late to the prayer thread, I fear I can only pray that all has gone well, and continues to get better.

Praying for you, your family, and your Pastor, that God will make all things well.

Blessings,

edit...

after "re-evaluated" what i posted i have decided to edit it, due to its "personal" content. I thought about twice before post ed it but i regretted it, i didnt try to gain support for my "side" in the matter or so on, and i wasent trying to point out my w ife as the source of the problem, i just wanted to update thoose who are in prayer and who have a concern.

and im very grateful of anyone who would pray for me and my family, God bless you all

Welcome back!

Many, as you can see, have been in prayer for you.

Thank God for keeping you through this battle, even though it is not over yet.

All we can do as Christians is to pray and fast and see what God does.

Satan will attack the home, because once he attacks there, it affects all in it, the church and the community.

But God is faithful. If we are faithless He remains faithful, He cannot deny Himself, 2 Tim 2v13.

God bless.

Please listen to Art Katz's sermon, "Intimate Union." It's enlightening.

Intimate Union

Description: A probing study of the mystery of marriage, the Body of Christ and our relationship with God Himself. A radical message that has brought life and reconciliation to many.

God bless you in your walk with Him and in your walk with your wife!!!

Dear Christian,

We're still praying that all has improved for you and your family.

My we soon be blessed by hearing from you.

In Christ,

Re: - posted by hmmhmm (), on: 2007/4/4 8:36

things are improving, even as some "wounds" are still healing, I'm positive of the future, I'm very grateful for everyones prayers. I'm somewhat discouraged in some areas, but I'm clinging to Christ. I really need to hear from the Lord, its confusing sometimes and i have a hard time to find the right balance in some areas, but the hard thing for me is that I'm always having a bad conscience, either towards God or towards my wife.

For those of you who want to pray for the children here they are in order..
