I dont know if anyone out there knows who Michael Sweet is. He is the singer for Stryper, a christian band. His wife recently was diagnosed with stage 4 cancer. She is only in her 40's. Here is the link: <http://www.michaelsweet.com/News/Mes sage%20To%20The%20Fans/messagetothefans.htm>

Been praying for her already, but thought I'd help bump this thread up so everyone can see it.

Store up comfort. This was the prophet Isaiah's mission. The world is full of hurting and comfortless hearts. But before you will be competent for this lofty ministry, you must be trained. And your training is extremely costly, for to make it complete, you too must endure the same afflictions that that are wringing countless hearts of tears and blood. Consequently, your own life becomes the hospital ward where you are taught the divine art of comfort. You will be wounded so that in the binding up of your wounds by the Great Physician, you may learn how to render first aid to the wounded everywhere. Do you wonder why you are having to experience some great sorrow? In the next ten years you will find many others afflicted in the same way. You will tell them how you suffered and were comforted. As the story unfolds, God will apply the anesthetic He once used on you, to them. Then in the eager look followed by the gleam of hope that chases the shadow of despair from the soul, YOU WILL KNOW WHY you were afflicted. And you will bless God for the discipline that filled your life with such a treasure of experience and helpfulness. God comforts us not to make us comfortable but to make us COMFORTERS."

Brother,

Thank you for bringing this back up to our attention, saw it the other day and this has got me thinking ... I have a rather long overdue letter of appreciation for those early seeds planted.

Will be praying earnestly. The link our brother provided is from Kyle herself.
