Christian Satire - posted by shazbot, on: 2004/3/23 17:13

I've known about this thing for a while now, and everyone I've shown it to seem to be equally offended by it regardless of background.

(<http://www.thedoormagazine.com>) The Door Magazine (<http://www.thedoormagazine.com>)

The only reason I keep going back is that I know that whatever offenses I suffer at the hands of this magazine, those who produce it truly do have the right motives, and truly do love God.
