Keeping the Tenth Commandment - Zac Poonen - posted by Nile (), on: 2007/5/1 12:10

This is a must hear!

I just listened to this and...I was taught me so many vital things. It's an awesome message on the Law of God. Zac Poonen explains the Law and it's purpose so clearly and more accurately than I have ever heard before. (Plus, it's less 15 minutes long.)
