Father we pray for America. We pray that you would cover our flesh eyes and take away the scales that covers our spiritual eyes. Let all Americans see that America is in rebellion and decay. This day is a day of trouble, and of rebuke, and of blasphemy, and the princes of this country are no longer made in Your image. Our leaders are ashen faced, bloodless, spiritually dead, spiritually blind men. They call us your remnant, holy rollers. They have been lead into captivity and are leading America into bondage. Father we are despised in their eyes.

to answer your question, I am not sure. but I went to one yesterday, that might be good. I going back next week. I met with the lady doing the Small groups, I know it is a good thing to be in a Church. But going to all these Church that were not good, gave me a deeper hunger to pray for the Churches here in Tucson and in America. When you see the lies, it just makes you cry. When you see pastor running off with Christ glory, you want yell. I pray we will have the heaviness of the sin in the Churches here in America, then we will pray more. SO it is by God's grace He let go through what I did.

Praise His holy name , May our Father name be lifted high.

In his love
