

Welcome & Intro :: Hello

Hello,

I thought I would introduce myself because I have recently signed up. God opened my eyes to the real plight of the unbeliever, the complete lack of the Holy Spirit and a burden for the lost in our Church last Thursday. Though I didn't realise that is what he had done until He told me through the preaching, on Romans 9, on the Sunday after.

Since then I've not stopped praying for revival and to really know the Holy Spirit in me and the church. One of my colleagues showed me this site and it is fantastic to see so many of the greatest preachers in one place. Thank you so much for bringing their sermons together in one place and making them freely available!

And a hockey fan to boot? ;-)

Welcome mongoose, drink deeply of all that is available, let us know if we can be of any help navigating the site.

Welcome mongoose! There is so much godly information on this site, but it is up to you to soak it in and apply it. God Bless you.

Indeed I am. I follow the Toronto Maple Leafs (unfortunately) when I can. :-)

I know, isn't it marvelous? I get lost here frequently, as it's my favorite place to be...and you can meet some great saints as well.

Don't hesitate to join in when you are overwhelmed with reading and hearing, and need to share a little.

Blessings,

Forrest
