

**Miracles that follow the plow :: Please Pray for Alex****Please Pray for Alex - posted by HomeFree89 (), on: 2007/6/8 21:10**

My brother and I were playing basketball tonight at the local park and we played with a young man around 12. We took a breather and I asked him if I could ask him a couple of questions. He said I could and then I asked him if he ever had lied, stolen, or disobeyed his parents. He said he had done all of those things and then I asked him if he'd go to Heaven if he'd die tonight. He said he didn't know, but he thought he would since he was a Catholic. I then told him that he could know for sure if he'd repent of his sins, accept Christ, and live for Him the rest of his life.

He then accepted a Gospel of John from me and I think he might read it.

Please pray that Alex will read the gospel and that the Holy Spirit will keep working in his heart.

Thanks,
Jordan

Father,
Please help Alex to accept Jesus as his personal Savior, and bless the Person who planted the seed of your Word to him, in Jesus Name.
