"It was strictly forbidden to preach to other prisoners, as it is in captive nations today. It was understood that whoever was caught doing this received a severe beating. A number of us decided to pay the price for the privilege of preaching, so we accepted their terms. It was a deal: we preached and they beat us. We were happy preaching; they were happy beating us - so everyone was happy." -Richard Wurmbrand

I just read this on the great quotes thread and thought maybe it should be pulled out in hopes of gaining a few more readers.
