Does anyone know where you can get a copy of the 10 Shekel's sermon typed out to read vs. listen to?

Hi Doug,

It may be on here somewhere already. I have it on my website (which is linked to another site- Fires of Revival). Just click here: (<http://www.firesofrevival.com/shekels1.htm>) Ten Shekels

It also includes "How this message came to be".

\*I highly recommend listening to the message while reading through the text transcription.
