Attempts to silence the Word in a hate crimes bill "schoolmaster", on: 2007/6/28 18:44

As most of us have seen and read in recent news there is an agenda to muzzle the preacher. Faith comes by hearing and the Word of God. Once I heard a person say that the law was a schoolmaster to bring us to Christ

Gal 3:24-27

24 Wherefore the law was our schoolmaster to bring us unto Christ, that we might be justified by faith.

25 But after that faith is come, we are no longer under a schoolmaster.

26 For ye are all the children of God by faith in Christ Jesus.

27 For as many of you as have been baptized into Christ have put on Christ.

KJV

The only people that truly come to Christ and surrender to HIM for HIS MERCY and grace are the ones that hear the word and realize they are sinners. If we take away the schoolmaster or muzzle the schoolmaster then what have we done? We have limited the schoolmaster in causing the blind to see and repent.

John 9:41

41 Jesus said unto them, If ye were blind, ye should have no sin: but now ye say, We see; therefore your sin remaineth.

KJV

I was so happy to find this forum. For about a year I have been participating in a worldly forum on www.katv.com in Little Rock Arkansas giving to the best of my ability what God's Word has to say about daily everyday news and issues from legislating abortion to homosexuality and other issues. Most replies to my comments call me a Bible thumper and the attitude of most is "what has God got to do with it". I continue to post on the site when lead to do so.

Isa 55:11

11 So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.

KJV

If this hates crimes bill ever passes we will see many Godly obedient men go to jail for obeying the gospel just as they did in the early church. The Internet may be the only source where one can get the whole council of God if this bill ever passes. Of course they will be an attempt to make it apply on the internet as well but they will realize if they do it might be necessary to also include censoring pornography in the legislation but that would result in losing millions of dollars in campaign contributions from the porn site owners so they would probably leave the internet alone because of losing that money. But God will always make a way for HIS WORD to be heard to those want to hear it.

Of course all this should be of no surprise to us as stated in 2 Tim 3:1-5

3:1 This know also, that in the last days perilous times shall come.

2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,

4 Traitors, heady, highminded, lovers of pleasures more than lovers of God;

5 Having a form of godliness, but denying the power thereof: from such turn away.

KJV

Many of these people reply to the Bible passage posting references and tell me that they are Christians and that www.katv.com forum is not the appropriate place for such comments and that I am doing more harm than good.

Many think as long as you go to Sunday church services and sing "Go tell it on a Mountain" you should remain silent on any of God's Word through the week.

Rom 1:16-19

16 For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.

17 For therein is the righteousness of God revealed from faith to faith: as it is written, The just shall live by faith.

18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness;

19 Because that which may be known of God is manifest in them; for God hath shewed it unto them.
KJV

A few months ago I made a post and instead of seeing the usual thank you, it said if your comments are approved they will be posted. I emailed the general manager and asked why the all the liberal comments continued to be posted without approval and I asked why God's Word was considered offensive. He answered my email with "I own the site and have the right to do what I want". I was later allowed to post again.

When I first started posting it seemed I was alone but other Christians have joined in.
Rom 8:31
31 What shall we then say to these things? If God be for us, who can be against us?
KJV

Remember the site should you feel lead to be a Bible Thumper!!!! www.katv.com

If you don't know the names of these organizations that have this agenda you much live on a remote island and have been there at least 40 years. No need to name them cause they know how they are.
