Saints,

I have run across some older David Wilkerson sermons that a brother in the Lord sent me. I really feel there is a unction from above on these messages and they are spoken in soberity and truth. Do take the time to listen to a few of these messages that are very timely even now for the body of Christ.

I want to thank you Greg for posting these messages and I want to encourage everyone here to listen to (<https://www.sermonindex.net/modules/mydownloads/visit.php?lid15613>) The Presence of God message in particular. I believe every Christian here should take heed to this word.

In Christ,
