We now have brochures available for registering for our family camp. If you're interested in receiving one contact the Ueland family.

This is such a wonderful time of gathering together at a beautiful camp to worship God together. In the past years we've had blessed times of fellowship centered around Christ. Brother Keith preaches each evening and Sunday morning, and brother Roy will preach each morning. The afternoons are open to rest, fellowship, prayer, seeking God, taking a walk to a lovely spring, and family centered activities, etc... There will be corporate prayer times in the morning (for the men), afternoon (for the ladies), and before the evening service (for all). There will also be godly instrumental music before the evening service, and times of hymn singing in the morning and evening (and perhaps in the afternoon also!)

We are praying that each person that comes will have their own personal encounter with God during these meetings. We are praying that the Spirit of God will be free to work and that God will be glorified in everything that is said and done.

Hope to see some of you at the end of September!

I encourage everyone to keep each speaking engagement of brother Keith, Jenny, and Roy in your prayers. Oh that God would use these humble servants of His to stir the hearts of His people in America to walk in His holy and righteous ways!

Blessings,  
Joy

I was at most of this. I left late Saturday night after the service.

I can truly say thank you to everyone who prayed. It went very well (at least from what I could tell). It was such a great blessing to be there. I think it was better than just going to meetings a few days in a row. The format was more of a retreat - so essentially everyone was living together for a few days. It's great to be able to fellowship with the saints. I remember thinking "ah! everyone is so nice and caring- this is how people are suppose to act, especially the Godly!" I think I was just as blessed with the fellowship as with the preaching (and that was hard to compare with).

It was good to see the different styles of preaching Keith can do. Thursday night it seemed that 85%-90% of the sermon was him quoting scripture. I hope I'm not exaggerating, but that is what it seemed like to me. Hopefully in the future the sermon will be on here so you can test my memory. Friday night he told several powerful stories. Saturday night seemed to be a little bit of a mix of the two nights before (at least with the mixture of scriptures and stories/ illustrations.) I feel refreshed and ready for service!

Please pray that my church is turned upside down next week when Keith comes. I'd love to see our church blazing as one large flame. :-)

**Re: - posted by hmmhmm (), on: 2007/9/30 16:32**

Can't anyone send the audio to Greg ? :-) it feels like a little child on Christmas.... I really would like to hear brother Keith's messages. There is always something for me in his messages.

Christian

**Re:, on: 2007/10/1 13:33**

Thank you to everyone for praying for these meetings!

*Blessed be the LORD God, the God of Israel, who only doeth wondrous things.*

*And blessed be his glorious name for ever: and let the whole earth be filled with his glory; Amen, and Amen.*

The whole convention went very well. There were some very needy people who came and brother Keith's messages, and Roy's messages were so on target and exactly what was needed. One person told me that there was a total change in their life during camp. So praise be to God for all of the lives that He worked in! Only eternity will reveal the depth of work that God did in hearts over this past weekend.

All of the messages were very good. Roy Daniel had three excellent messages on true spirituality. The first one focused on the Corinthian church and its liberality, the second message focused on the Galatian church and more on the aspect of legalism and rules. Sunday morning's message was on faith and all that we have in Jesus Christ as believers.

Brother Keith's messages were all really good. The first one focusing on compromising Christianity being the greatest tragedy in the world today, I wasn't in the meeting on the second one so I'm listening to it today, the third one was on warning the sinner of hell and of the responsibilities that lie with Christians to witness to those around them, the fourth message was a solemn warning to young people raised in Godly homes not to turn on the God of their parents, and of the consequences of doing so. So there's a brief summary of the messages. :) I might could get out my notes later and fill in a little bit more, but it would be best if everyone would just listen to the messages themselves.

Speaking of which, there is some editing that must be done before sending the messages into Greg, so please be patient!

Once again, thank you to those who prayed for these meetings and brother Keith. Please continue to pray for every meeting where he will be preaching. Also be in prayer for Roy Daniel as he ministers to the youth in a community here in Missouri.

Please, please, if you go to any of brother Keith's meetings, do share a testimony afterwards. It's always such a blessing to hear how God is working in lives.

Brother Keith is speaking at the Indianapolis Training Center (part of the IBLP ministry) right now. Tomorrow evening and Wednesday evening he will be addressing hundreds of young people at the counseling seminar that is taking place at the training center this week. Pray for the many young people who will hear brother Keith preach.

Roy Daniel's meetings in the Washburn, MO area went well. There wasn't a large turnout Friday night and Saturday morning, but the messages were recorded, and I hope will be spread much around the world, especially the one he gave on music.

Keep praying. We're so blessed in America to have this godly man come and preach across our land. Oh for God to pour out His Spirit and be glorified greatly through this humble servant!

Yes, thank you for praying and to all who did.

I believe the meetings went very well. It was quite a blessing for me to have heard him preach 7 times within 11 days.

I am praying that there is a continued change and sense of God's presence. It can be easy to have a sense of God's presence and allow that to fade away. I never want to fall into the trap of something being "a good time" or the "good ol' days" and not have that reality Today.

Hbr 2:1 Therefore we ought to give the more earnest heed to the things which we have heard, lest at any time we should let slip.

He preached 4 messages at our church.

- 1) Friday night was about not giving up on people/ God can set you free.
- 2) Saturday night was about compromising Christianity.
- 3) Sunday morning was a message he entitled "Hell!"

4) Sunday night was about faith. I think he called it something like "Ask and ye shall receive."

Greetings in the name of our Lord Jesus Christ!  
As I write this I have just returned from driving Brother Keith to New York City, from where he will be leaving the country shortly. The meetings are over but the deep work of the Holy Spirit is not. The Lord has truly met with us during the last few days. Brother Keith spoke with perhaps the greatest liberty he has ever had in our church. Through the preaching and a good deal of fellowship time Brother Keith and also Brother Otto Koning were able minister to some of our specific needs as a church. The presence of these Godly men is greatly edifying, especially in a small church setting. The highest moment was on Tuesday night, when Mr Daniel preached on Hell and the duty of a Christian to warn the lost of their everlasting destruction. Eight of our young people were saved that night. This is indeed a mighty work of the Holy Spirit, even more because this is a large percentage of our young people. The Lord has shown Himself strong in answering the many prayers that have been lifted up for these children. Please continue to pray that the Lord Jesus will continue this work. Pray also for Brother Keith's safety as he travels over the next few days, and also that he will have liberty and annointing as he preaches at a large convention in South Africa next week.

In Christ  
Aaron

These were the meetings in Moscow PA...

Yes, we need to continue praying for brother Keith. And also to be in prayer for next year's fall tour, for divine direction for each speaking engagement.

Also, if anyone has any questions concerning brother Keith's ministry in America, feel free to ask me (email or pm). My church handles much of the logistics of his ministry over here and also has a media ministry with messages on CD, DVD, and tape from brother Keith, his wife, Jenny, and son Roy.

The messages from this year's tour that were given at Maranatha Baptist Church should be available on SI soon, Lord willing.

Blessings,  
Joy

I have three more messages from brother Keith that were preached at Mabank, TX. One is a message to preachers, the next two are on prayer and faith. I'll send them to Greg as soon as they are ready.

Does anyone know if he had anymore messages that were preached on this tour? He usually has 5 or 6 messages that he preaches over and over on each tour.

I believe that Brother Kieth preached an unusual number of different messages this year. He said that he preached new messages (other than his "regular" tour sermons) at a church later in the tour, I think it may have been in Maryland. He also preached two messages in our church that he only preached once or twice in America.

But they are without title, and it should be checked to see if they are the same or there is some different among them, and to give them proper title.

I hope with the efforts of all of us, we could gather all different messages from this tour!

Brother Josh (Parsley) what about messages in your church?

They are similar to some of the ones put up but there are some different aspects in each message preached so I thought it would be good to get the same message up a few times preached, I have been blessed to hear the same message in 2 different places. God worked through Keith in a slightly different way that was a blessing.

At my church he preached:

Compromising Christianity

Servant of Sin

Hell!

Ask and it shall be given you.

The only one that was different than what was preached at Maranatha Family Camp is the last one. It was about prayer. He told many stories about how God has answered his prayers.

I think you, Greg, already have audio's of all these sermons he preached but at a different location. If you want what I have let me know and I'll put them somewhere you can get to them.

If you do want them and I don't reply to this thread within a day or so make sure you PM or E-mail me.
