Death of Paul Washer's mother - posted by JennRich (), on: 2007/7/12 18:19

Bro. Paul's mom, Barbara Washer, passed away this morning. She had been suffering from cancer for awhile now.

Their oldest son spent the day at our house while Charo prepared for the drive to Illinois (Bro. Paul is already there). He told me, "My grandmother knew God." Praise the Lord!

Here is Heartcry's website, if anyone would like to give a donation in her memory:

Jenn,

Please tell the family that my thoughts and prayers are with them. As I shared with you before, Paul Washer's ministry has been a tremendous blessing to me.

Precious in the eyes of the Lord is the death of His saints.

How precious that her grandson could give such a testimony.

Thanks for letting us know, Jennifer, we'll be praying for the family, that the Lord will grant them comfort, and also safety in their travels back and forth between Illinois and Alabama.

Blessings,
Joy
