Catholic church is the only way? - posted by Smokey (), on: 2007/7/15 0:03

Have I missed the firestorm of indignation over the audacity of the Pope to publicly re-affirm the catholic churches belief that she is the only true Christian church?

It's nothing new. The Catholic Church has not ever changed it's stance on that, no matter the appearance they may put up.

The Catholic Church is a false religious system, has been... always will be. Read Revelation 17.
