Awesome Ravenhill video comp, "your works". - posted by theopenlife, on: 2007/7/23 15:58

I'm not sure who made this Ravenhill video, but when I watched it yesterday I was shaken. May the Lord use it to bring you into fervent prayer. Praise God.

It's the top video on the page, labeled "Your Works".

It's (<http://theopenlife.blogspot.com/2005/07/recommended-videos.html>) here.

Our God Is A Consuming Fire:

As I come into your presence, into the Holy and Divine,
May my heart cry Abba Father, not my will but thine,
As I seek Your Holy Spirit, come fill me now I pray,
Consume me in your fire and only that of God remain.

Song given in prayer on 7/20/07
