Greetings from matt - posted by matthew (), on: 2004/5/3 7:59

I praise God that I have found a collection of brothers and sisters who love God and desire to know Him.

I have been a Christian for about 4 years. I am mairried and have 9 month old twins, Elijah and Lydia, My wife is expecti ng a second set of twins to be born to us (if God is willing) the end of this October. I am a second year high school scien ce teacher in Barron Wisconsin.

I love the Word. I also greatly enjoy good Biblical fellowship. I have found little better than being sharpened by the Iron of a friend's faith.

Hi Matt,

Welcome to the rollercoaster! I'm sure you'll enjoy and grow.

Maybe this will be a good source of fellowship for you as you and the wife will be pretty busy soon! Wow 2 sets of twins! God bless you Bro :-D

A warm welcome to you Matt!

Wow, a science teacher as well, in High School no less. Couldn't imagine what that may all entail, may the Lord pour out extra grace into your lives especially with the new additions that are to come.
