Stone of Stumbling  
Rock Rolled away  
Show me thy glory  
I AM. . . The Way  
Clinged to the cliff  
On Sinai's sharp ledge  
The Rock did strike him  
With an outspoken pledge  
"Mercy & Grace  
The Longsuffering Lord  
His servant the Branch  
Is glory's reward"

Assiduous clients of today's sorcery  
Raised Fist or Raised Phallus  
Mankind's Panoply  
The Intuitive angst of creation's dull groan  
The echoed "Tic-Toc" of the soul's metronome  
That Stoic detachment  
Caught in the Rye  
Mens agitat molem  
Vergil's reply

Br'er Rabbit  
Br'er Lawrence  
Mighty Gideon exclaim:  
"Though your sins be as scarlet  
Jason's fleece to lay claim  
Come let us reason  
Redeemed by the blood  
The fleece of the Lamb slain  
God's presence the sum"

Shiloh hath spoken  
The Hunchback doeth sing  
Sanctuary in Christ  
Hidden treasures and springs

One thousand years chained  
The Plumb line of Zekiel

Seven Vials  
And the Bowls  
Seven Years  
And Two Prophets
