64 DAYS LEFT UNTIL THE REVIVAL CONFERENCE

Saints,

Recently Ralph Sutera confirmed that he is coming to the event to speak at a morning session and participate on the Q and A panel. I am excited that this dear brother is coming to relate to us how God worked in revival in canada back in 19 71, may God do it again!

Ralph Sutera - used of God in the Saskatoon Canadian Revival of 1971. He played a key role with his brother Lou in the Western Canadian Revival Fellowship. He is the author of several books and founder of the Heart-Cry for Revival Conference in the USA.

Amen. I am very excited about the speakers God is having come to this event. May God be honored and magnified in everything that happens. Oh that we might grasp a true heart burden for revival in our day.
