I wrote this song a few months after my regeneration (conversion). After 5 years, I'm finally sharing it:)

Kill Me
(c)2002

I want to be more like You
I want your light to shine through
I want to leave this world behind
And be more heavenly like You
So take away these things
That bind me to this world
MAKE me bear the cross
I WANT to die for You!

Chorus:

I know you can...
Tear these chains that bind me
Tear these chains that bind me
Make me free from this world
Or I will surely burn!
So the only way is if You my Lord...
Lord just kill me
Break me down and make me nothing
Lord just kill me
Break me down and make me pure
Lord just kill me
Make me look to You
So that you can piece together my brokenness

I sometimes find myself
Lost in the night
I cannot find my way back
To your perfect light
The passage is blocked
And I'm falling on my face
This worldly barrier
Is hindering my faith

My hands are clasped behind me
By a poisonous snake
The devil's laughing at me
Waiting for me to make a mistake
I can't stand it anymore
I must break free
Lord free me,
And break me,
Make me strong!

Chorus:

I know you can...
Tear these chains that bind me
Tear these chains that bind me

Make me free from this world
Or I will surely burn!
So the only way is if You my Lord...
Lord just kill me
Break me down and make me nothing
Lord just kill me
Break me down and make me pure
Lord just kill me
Make me look to You
So that you can piece together my brokenness

It's not always the devil
That binds me, it's me
Free me from myself
Free me from myself!
Mold me, break me, make me
Into something else!

Kill the worldly person
Kill the selfishness
Kill the pride
And everything inside
That doesn't glorify
YOUR NAME.
Oh Lord...
Lord just kill me!
Lord just kill me!
Please Lord just kill me...

I want to be more like You
I want your light to shine through
I want to leave this world behind
And be more heavenly like You
So take away these things
That bind me to this world
MAKE me bear the cross
I WANT to die for You!
