Conference Notification - posted by Bramwell, on: 2007/9/28 20:17

Dear ccchhhrrriiisss and vico,

Praise the Lord. Thank you for your responses. I hope to see you there, brothers, and to pray with you.

Make yourselves known to me. When we pray, I am praying that the heavens will be rent, and God will pour out His Spirit on the conference and on the whole of Canton. Believe for it, brothers. I am going early, (on the 18th), to pray for the conference. Are you joining me?

"Oh that in me the sacred fire, might now begin to flow," and in you, brothers.
