A back up plan is in the works in case it runs over 2 thousand, which it may.

Whatever the number I will remain in prayer for this event. May the Lord visit His saints as they seek Him in all humility and brokenness before His throne! May God work in the hearts of all who attend this event as well as those of us who will watch the sessions online. May these weeks before the conference be used to ready our hearts and intercede for the speakers and the body of Christ who is thirsting for more of Him.

Amen. I have said many times to people that if only 50 came that had a true heart for revival and were able to in unity call out to God for a mighty move of God in our land then that would be sufficient, but it seems like it has pleased the Lord to draw many more. Keep praying saints.
