I am so happy that Jesus is my Peace! - posted by wordsoflife (), on: 2007/10/2 15:27

Hi everyone;

Today, I can say that I am so happy that Jesus is my Peace. I was just sitting here thinking about my life and how much peace that I have. I don't say this to say that I am perfect, because I am not. My Bible tells me that all have sin and fall short of the Glory of God (Romans 3:23).

I give the Lord Glory and Honour for being my peace through times of trials throughout my Christian walk. I know what it is like to be torn inwardly...it's so miserable.

Praise the Lord that I am no longer full of thoughts of doubts and fear, but peace that passes all understanding...peace that causes me to rest at night....peace that causes me to rejoice even when I don't feel like it.

Today, I am so happy that Jesus is my Peace and in Him I have Peace in every area of my life! I am so glad that I don't have to go by how I feel, because it's not about what I feel, but who Jesus is and who I am in Him!

Being happy that Jesus is my Peace is so wonderful and I won't trade it for anything this world has to offer!

I pray that someone will be encouraged by reading this post.

Be Bless

Ruth

Wordsoflife, by yourself, yes, you are a sinner prone to sinning, but if the Holy Spirit is dwelling within you, then you can be free of sin! If you lean on him, there will always be a way out of temptation. It is because of your leaning on his spirit that this can happen. Don't think that you must continue to sin so that grace may abound; we are **dead** to sin if we are alive in God. (Romans 6:1-2, 11-18) God did not save us to sin more! If we do sin, we can repent, but sister, we need not sin.

Praise God that doubts do not reign in you; but don't be doubtful about this any longer. To live in God is truly in God. Thank him that through him we who follow him can be free from sin here and now.
