Fresh anointing. Every born-again christian are called priest. In our priestly office we need fresh unction everyday to do our work effectively. It is God who anoints our head, every day we have to spend some time at His feet, praying christian growing christian, praying church growing church, praying nation growing nation, praying family growing family. Have you prayed today? No bible reading, no breakfast. As psalmist says thou has anointed my head with oil Psm 23:4-5. Every oil has three qualities. 1. Smoothness. Smoothness to touch. Jesus Christ is our oil. IF we accept or walk according to His ways our entire life become so smooth. 2. Brightness. Brightness to shine. It is Lord Jesus Christ who makes us shine in every walks of our Life. Ps 18:28. 3. Fragrance. Fragrance to smell. Jesus Loves you. God is Love. The love of Christ is our fragrance, where there is Child of God, there is fragrance of love of Christ. It is called fragrant grace.
