Claudette,

Last year the Lord delivered me from anorexia. I know the torment that is involved with an eating disorder. But I also know the power of Jesus to bring healing.

I will pray for your daughter.

I'll pray. Something to encourage you by though; Mar 8:22 And they come unto Bethsaida. And they bring to him a blind man, and beseech him to touch him.

Who were the they in this story? How long did they look for Jesus? How far did they come to find Jesus? How intense was thier plea (beseech)?

We don't know, but what we do know is that there isn't One recorded instance of Jesus turning anyone down who got to Him, they left this blind man in the able hands of Jesus, which sparked an amazing journey, may the Lord Himself give you and your family fresh oil for the journey ahead as thoughts around you place you all in the able hands of Jesus. God Bless

Just an update about my daughter, unknowingly she left her wallet and cell phone in my bag, that become an avenew for her to come back home and pick her stuff, tonight in God blessing we had a heart to heart talk openly she acknowledge she needs help and wants to come back home, " Praise to Jesus". This for me God has started opening the door for her to recieve healing. It's been long coming but i know it all in Gods timing. Brothers and Sisters in Christ i thank you all for your prayers and continual lifting up my feeble hand towards heaven above.

She was baptized in Holy Spirit at the age of 8, at the age of 14 she got mixed up in the wrong crowd/friends and gone astray, ... but i know God holds her future ... she is coming back home halle-lu-ya !!!

Bless you all in the name of Jesus Christ our Lord and Saviour.

Praise God! :-) that does my heart good. If I may though, in Mar 8:23 And he took hold of the blind man by the hand, and brought him out of the village; and when he had spit on his eyes, and laid his hands upon him, he asked him, Seest thou aught?

Mar 8:24 And he looked up, and said, I see men; for I behold them as trees, walking.

Mar 8:25 Then again he laid his hands upon his eyes; and he looked stedfastly, and was restored, and saw all things clearly.

Mar 8:26 And he sent him away to his home, saying, Do not even enter into the village.

This man was brought out of his present place, the Lord spit on his eyes and then touched his eyes and asked him what he saw, this man's vision was still not perfect, he could still justify his condition based upon what he saw in life, the second touch caused him to see clearly, all men including his own heart condition, this is something only God can do; Isa 6:5 Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, Jehovah of hosts.

Lastly Jesus told him to return to his own home and not to the town or former experiences he had in days gone by.

Now is the time to be extra vigilant in prayer and get ahold of Jesus until the full answer has been completely manifest, you'll know by the gladness and peace you'll see in her life. God bless, I'll remain in prayer, bro. daryl

Up date for this request.

Just to share what is happening physically she is now eating,;-) number of time she wanted to go back to her place but seems God shut the door for her that she had no other choice but to stayed with us.

She is off drugs "cold turkey", apparently she has been taking drugs (canavis, ice, crystal) heavily and has been 3 weeks now since she had any of it and seems no craving to touch it again, this alone is God intervention through people praying. I know it still a long road ahead yet and praise God since i post this request here mercy of God start moving keep praying when you remember in your prayer. Thank you so much for your kind support and prayer.

Learn the lessons of a wise AND gentle farmer who makes wisdom acceptable to the hearer and ask the Lord to help you to minister the Word of God in such a way that she doesn't realize it. It's time to get as much of the Word into her thinking as possible. That way in the days to come it will condition her thinking and give the Lord a platform with which to move on her soul unto full salvation. God Bless.

Psa 126:5 Those who sow in tears
will reap with shouts of joy.

Psa 126:6 Though one goes along weeping,
carrying the bag of seed,
he will surely come back with shouts of joy,
carrying his sheaves.

I just want to share the things unfold this morning.
God is so good.

My daughter got to listen to one of the music uploaded in Godtube by BenedictKJS, and it's entitled REASON.

This reveal to her the love of God... to cut the story short she is so touch by it, and can really feel the presence of the Holy Spirit that even i broke down in repentance, i felt to lead her in sinners prayer not like the sinners prayer that often happened when some preacher telling people pray this prayer and so on ... This is real and only the Holy Spirit can reveal the things in the spirit realm. As she prayed, she is so broken and crying out to Jesus and to forgive her and to save her...

God is so real in His promise and His love.

I thank you so much to all uphold the intercession for my daughter Zenyl; and will continually pray for her to grow in spirit and in wisdom of God that she may know the depth, the width, and the height of His love towards her, and that her hearts may be encouraged, being knit in love, and attaining to all riches of the full assurance of understanding, to the knowledge of the mystery of God, both of the Father and of Christ, in whom are hidden all the treasures of wisdom and knowledge.

Yours in Christ Jesus - Claudette
