Hey guys, I'm getting a long letter ready to a girl I know who's Catholic. I'm basically looking for ALL the scripture that any of you guys can think of that refers to only Christ as the source of salvation. If you can just list them one by one I want to quote the bible with an overwhelming passion. Anything else that may be of use would be really appreciated. Thanks.

Also, any scripture that talks about our trust in Christ is the only thing that can possibly keep us sinless and how we have to only trust in Christ and rely on him. Specifically, bond servant quotes.

1st Timothy 2:5 is a great verse.

Romans Chapters 1-5 is a thorough exposition of Justification through Christ alone

Philippians 3:8-9 also

:-)

1st Timothy 4:1-5, especially in light of what the Catholic "church" teaches.
