

Welcome & Intro :: Greetings, New to site**Greetings, New to site - posted by wawatici (), on: 2007/12/4 19:58**

Greetings to each in the name our Lord and Savior Jesus Christ. Just a quick note to say hello.

I've been browsing this site for about a month. My parents told me about after they attended the Conference in Canton, OH. Sounds like I missed out on a good thing.

A little about me, I'm a 33 year old single woman, living and working here in NY state. I'm currently attending a small home fellowship that has been an oasis to me after being with a group for 10 years and watching it dissolve. Yet, praise be to the Lord, for I learned many things and grew much in those years. And further praise to Him, for guiding me to other fellowship, and not leaving me to be stranded alone. He truly watches over his people.

Well I've been on a different type of journey lately, doing a lot of study, and finding this site refreshing in its truth, simplicity, and its purpose to bring Glory to God.

Thank you for your work. Hope to have opportunity to make good use of the resources available here.
