Hi,

I'm so grateful to have the messages from the revival conference available in MP3 format! I've already started duplicating and sharing them with others.

There is one little problem with a few of the messages and that is that they are longer than 80 minutes and will not fit on an audio CD. Is there any chance of having these messages divided in half so as to make it easier to duplicate and share with others?

These are the ones that are too long:

The Q & A Session (1:33:53)

The Lord's Testimony (1:37:00)

Compromising Christianity (1:40:49)

Let Me Not See My Wretchedness (1:19:58 - 3 seconds too long!) <https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid=15982&commentView=itemComments>

Thanks for considering this!

That is a good suggestion sister, I will try and work on this and make it available for download. I will keep you posted.
