Please pray for the Levi family of the Des Moines, IA congregation of the Presbyterian Reformed Church. Christopher is a ruling elder in that congregation. His wife Mishelle, in her fifth month of pregnancy, was admitted to ICU yesterday with a severe kidney infection. The Levis were informed this morning that the child has died. Mishelle is on a ventilator, and has gone into septic shock. Her doctors do not know whether she will make it through the night. Your prayers for this family will be greatly appreciated.

Luke 4:40

Now when the sun was setting, all they that had any sick with divers diseases brought them unto him; and he laid his hands on every one of them, and healed them.

May our Lord lay His hands upon Mishelle and heal her.

Lord Jesus, we call upon you in this families hour of need, give unto them your peace and comfort.

Thank you Lord, praise and glory be unto you.
