O what a melting consideration is this!

(John Flavel, "The Fountain of Life" 1671)

"Christ died for the ungodly." (Romans 5:6)

O what a melting consideration is this! That . . .
out of His agony, comes our victory;
out of His condemnation, comes our justification;
out of His pain, comes our ease;
out of His stripes, comes our healing;
out of His gall and vinegar, comes our honey;
out of His curse, comes our blessing;
out of His crown of thorns, comes our crown of glory;
out of His death, comes our life!
