Saints,

There is a new moderator on the website, he will not be as active posting but more in behind the scenes help. He was a integral part of helping administrate and moderate the revival conference this last year. I am glad that brother Jamie is here to pray and help in the furtherance of the gospel of our Lord Jesus Christ through sermonindex.

His username is: **jamiel**

Here is his account profile:

Thanks for your willing servant spirit, Jamie. Thank you for all you did at the revival conference.

May the Lord bless you as you serve behind the SI scenes!

I'll be praying for you.
