Saints,

I have recently been reading through the large 1200 page volume called "Martyr's Mirror" that covers martyr's from over 1600 hundred years of church history. It covers much of church history from a anabaptist view. I ran across this audio series on anabaptism and thought it would be beneficial for many to listen to. The series is preached by Dale Heisey:

Excuse me.

I was wondering if these tape series are in written form?

Hi,

The series is only in audio format. We trust and pray it is a blessing to many.
