Sister Megan at my church has a husband in Iraq who was a christian. But on his deployment over in Iraq he turned away from God and went into all matter of ungodliness. Please help me pray for her as she has 3 children and her husband is soon to come back. She needs spiritual strength to fight off the devils in her husband and be the new spiritual leader of the family. (I don't want to see her turn away from God...I'm tired of losing brothers and sisters to Satan, so please help me pray for her) TY

Thank you very much for all of the prayers I just know that she will have the spiritual strength to get through this all. I also know that through her chaste conversation even her husband will be convicted and saved. It is gonna take dedicated prayer on my part. Thank you all for your help.
