Are there any itineraries for him traveling in the US?

If I were still living in Galway, I'd make my way over to hear him! Alas, I'll have to wait for his return to the states, Lord willing.

No, not yet. There is a fall tour that is in the process of being put together that will be during the months of October and November. The first speaking engagement will be October 2-5 at Maranatha Baptist Church in Missouri. But that's the only one that is set for sure.

Do pray for this aspect of brother Keith's ministry. Now and the next couple of months will determine where he speaks this fall in America.

Roniya,

Thank you for bringing this to our attention. You have no idea of the excitement this has brought to my soul. I gave serious thought to going to the Revival Conference at Canton but had to rule it out. Now to find that Bro. Keith is coming to a church about 20 miles from home.

"Blessed be the name of the LORD from this time forth and for evermore."

Just a few weeks ago I said in a post about the possibility of a Revival Conference in England with regards to Keith Daniels "We need men of God of this calibre to Minister in the UK." Before I called God had already answered, sending this man right to my doorstep.

We showed the video of Bro. Keith speaking at the Canton Revival Conference to our Church at the start of the year and it had a profound affect. Northern Ireland has a rich heritage of the gospel and revival down through the ages. But this is a new millenium and we desperately need a fresh move of God. How we need God to come and work in this part of the world.

Friends I covet your prayers for the host church and for my province, that God would be pleased to come and visit us with revival blessing.

Sister Roniya, do you know of any dates when Keith Daniel is speaking in mainland England? I would love to hear about them if you do. Thanks

Yes, I will be praying. This is amazing how God has already started preparing your area by using you to share that message with your church. Praise God!

No, I do not know of any other speaking engagements in the UK. Perhaps it will work for you to go to Ireland.

Reading this thread, I'm more convinced of the importance of praying for our dear brother Keith and his family.

The sacrifice of men of God, like brother Keith, to be traveling and giving so much to the brethren around the world is great. As Godly as brother Keith is, you know it pains him to be away from his family, when they can't go with him.

We receive so much from this man and his family. We benefit from his teachings, warnings and exhortations that it's only right that we bless him by upholding him in prayer. It's our duty, I believe.

If nothing else, please take a moment after you read this to pause and give thanks to God for our selfless brother. To ask God to strengthen, bless and encourage him and his family. That God would grant him wisdom, discernment and safety in his travels and as he prepares God's message for the places he's speaking.

Brother Keith Daniel has graciously agreed to come to our little church in Northern Ireland.

We are greatly privileged to be able to host these meetings; but above anything else we desire the presence of the Lord.

The church in Northern Ireland is in desperate need of Revival, and there are thousands upon thousands who need a Saviour, in the North and many more in the South, who are in darkness.

Saintly John Fletcher once wrote (August 4th, 1770): "Before the Bishop shackled me with canons, he charged me to 'look for Christ's lost sheep that are dispersed abroad, and for His children who are in the midst of the wicked world;' and these sheep., I will try to gather whenever I meet them. We have a general canon:- 'While we have time, let us do good to all men, and especially to them who are of the household of faith.' 'Go into all the world, and preach the Gospel to every creature' willing to hear it."

Please, if you are in earnest, pray for these meetings in Northern Ireland. Our desires are for more than one church! Our desire is for the glory of God, the revival of the church across denominations, and the rescue of the lost sheep!

To quote Tyerman's life of John Fletcher: " 'As many of you as are athirst for the fulness of the Spirit, follow me into my room.' On this, many of us instantly followed him, and there continued till noon, for two or three hours, praying for one another, till we could bear to kneel no longer. This was done, not once or twice, but many times; and I have sometimes seen him, on these occasions-once in particular-so filled with the love of God, that he cried out, 'O my God, withhold Thy hand, or the vessel will burst!' But he afterwards told me, he was afraid he had grieved the Spirit of God, and that he ought to have prayed that the Lord would have enlarged the vessel, or have suffered it to break, that the soul might have had no further bar to its enjoyment of the Supreme God."

We are in debt to you who pray for us!

We are praying for these meetings, brother. Do keep us posted on anything specific we could be praying for.

**Re: - posted by UlsterMan, on: 2008/3/19 7:40**

2 Weeks until the meetings commence.

150 years ago God began to pour out a spirit of supplication upon our province that led to the 1859 Ulster Revival. Edwin Orr noted that this revival made a greater impact on Ireland than anything known since Patrick brought Christianity there. Through the work of God in the hearts of four new converts who were moved to seek God in prayer, 100,000 souls came to Christ in one year.

Northern Ireland has made world headlines in recent years because of terrorism and the political situation. Please pray that it would be known as a place where God is at work in revival power. Pray for Bro. Daniel that God would burn the right messages on his heart. Pray for the host church that God would be preparing it. Pray that Christians would begin to hunger and thirst after righteousness and would have a desire to get to these meetings. Pray that those who desire more of God would hear of these meetings and be able to get along. Pray that these meetings would not just impact a community but the whole of our country.

Brother and Sisters we covet your prayers that God would work mightly at this time.

Thank You.

"Oh that thou wouldest rend the heavens, that thou wouldest come down, that the mountains might flow down at thy presence," Isa.64:1

Praise The Lord

There is a level of expectancy that is rising; Keep on praying.

**Re: - posted by UlsterMan, on: 2008/3/28 15:33**

William Harding writes of Ulster 150 years ago:-

"In 1858, there were remarkable conversions. Steadily converts multiplied, and Rev. J. H. Moore, minister of the Presbyterian congregation at Connor, gave every encouragement, conducting countless services. The Revival flame began to kindle. People were crying for mercy in open-air meetings. A singing-class was turned into a prayer-meeting, and many met to pray, on occasion, all night. Public attention being aroused, Mr. Moore was requested at the General Assembly of his denomination, in 1858, to give his brethren an account of the novel and fascinating events.

It was with extraordinary fervour that the movement spread into Ahoghill and other parishes.

In barns, schools, and private houses meetings were conducted and addressed by converts, and were attended by multitudes of people. At Ballymena, the whole town seemed suddenly to arouse. "The difficulty used to be to get the people into the church," wrote a minister, "but the difficulty now is to get them out." The benediction would be pronounced a gain and again, but each time the irrepressible petitions of the praying people would burst forth afresh, or the cry of the penitent, mourning over sin, would break upon the ear, and so the meeting would of necessity be protracted perhaps into the early hours of the morning."

Can God stir the hearts of his people again to pray and believe for Revival?

Please join us in praying for these special meetings Bro. Daniel will be conducting in Portadown next week that this would spark a Revival in the hearts of God's people that would impact our land once again.

Thank you.

Thank you for sharing this and the other posts, brother. I am praying for these meetings. Do let us know how God works.

**Re: Prayer for Keith Daniel - posted by Fletcher (), on: 2008/3/29 11:39**

Rev. John Fletcher once wrote, "The few professors I see in these parts are so far from what I could wish them to be, that at I cannot but cry out, 'Lord, how long wilt Thou give Thine heritage to desolation or barrenness? How long shall the heathen say, 'Where is now their indwelling God?'...I see so little fruit in these parts that I am disheartened, both with respect to the power of the word, and the experience of the professors I converse with. I am closely followed with the thought that the Kingdom of the Holy Ghost is almost lost; and that faith in the dispensation of the Spirit is at a very low ebb."

Of the same era, and close friend of Rev. John Fletcher, Joseph Benson wrote, "But the principal thing to be thought, talked, and wrote about, is the baptism of the Spirit, or the inward kingdom of God. Oh! My friend, this is but little known among us!"

"I still look for an outpouring of the Spirit, inwardly and outwardly."

II. Kings 2:9 "...Ask what I shall do for thee, before I be taken away from thee" "...I pray thee let a double portion of thy spirit be upon me!"

Please join in prayer for our meetings in Portadown, Northern Ireland, with Brother Keith Daniel, from Wednesday 2nd - Lords Day 6th April.

A senior brother, who I spoke with this week was like a man that dreamed when he recounted the 'felt Presence' of God forty years or so ago when Duncan Campbell was ministering in Lisburn, Northern Ireland. God came! We hunger and thirst for another outpouring of the Holy Spirit, for the glory of the Father and His beloved Son, the Lord Jesus Christ. We earnestly covet your prayers for this little Province. Cover Mr Daniel with prayer as he flies from South Africa to Belfast o

n Monday, in the will of the Lord; and then for the Lord's presence during the meetings, and His word to our hearts. We are debtors to those who pray; a debt of love.

Wait on the Lord while the world weeps. In this world you shall have tribulation but again I say to you WAIT on the Lord. He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.

Bro. Daniel brought a message tonight from a burdened heart about our need to wait on the Lord in order to endure the tribulations of this world. It was a deep felt pastoral sermon to hurting and needy people.

Please continue to pray. Bro. Daniel's suitcase was lost in transit. Pray that he would get it tomorrow.

Bro. Daniel is not well known in Ireland having never preached here before. Pray that people will be drawn to the meetings.

Tomorrow night Bro. Daniel plans to speak on the church in the last days. Pray that hearts will be revived.  
Thank You.

Praise the Lord! Just home from having supper with Bro. Daniel. What an amazing, humble, gracious man of God. He got his suitcase, thanks for praying. Two more meetings are over. He spoke on the midnight cry from the parable of the 10 virgins and on the prodigal son.

Just the Saturday night meeting, and two on Sunday left. Please continue to pray.

Lewis Revival - An evening was given to waiting upon God in the home of an elder. Around midnight Duncan turned to the local blacksmith: "John, I feel the time has come for you to pray." With his cap in his hand John rose to pray, and in the middle of his prayer he paused, raised his right hand to heaven, and said: "Oh God, You made a promise to pour water upon him that is thirsty and floods upon the dry ground, and, Lord, it's not happening." He paused again and then continued: "Lord, I don't know how the others here stand in Your presence; I don't know how the ministers stand, but, Lord, if I know anything about my own heart I stand before Thee as an empty vessel, thirsting for Thee and for a manifestation of Thy power." He halted again and after a moment of tense silence cried: "Oh God, Your honor is at stake, and I now challenge You to fulfil your covenant engagement and do what you have promised to do." Many who were present witnessed that at that moment the house shook. Dishes rattled in the sideboard, as wave after wave of Divine power swept through the building. A minister standing beside Duncan turned and said: "Mr. Campbell, an earth tremor!" But Duncan's mind, however, was in the fourth chapter of Acts, where the early Christians were gathered in prayer and, we read: "When they had prayed the place was shaken where they were assembled together; and they were all filled with the Holy Ghost."

Lord in the midst of the years revive us again.
