Dear saints

I will keep it brief, i have in the past had more then one occasion when mentioning here different things to you brethren and sisters, and every time god has been faithful and answered prayer. He is good.

This time id like ask prayer for little Jasmin, she is 10 months old. And she is sick with a fever and some other things, she has very low oxygen level in her blood and great difficulty breathing. she is in the hospital with my wife and i will go there shortly. I ask anyone who feel lead to help us pray to please do so.

I am very grateful for your time

Father, I agree with my Brothers and Sisters on SI that You will touch Little Jasmine.

Look down in Your tender mercy and heal this Child, and strengthen her Family. In Jesus Name. Amen

Oh, brother, my heart aches for all you're going through. Know that you are *still* in my prayers, and will remain there until the burden is lifted from me.

Be strong in the faith, brother. There is always a battle before the victory.

Brother,

I am and have been praying for you and your family. Indeed has a great plan for all sickness, at least I learning in mine. As I look around sickness pain and suffering, some with small, others greater. but why? As I start to pity, I see others great then, I only lift with a song of praise. So to this my brother, praise the King and preach to the wonderful gospel. What a ruth and joy springs from a heart that can praise him the trail. I rest in the this great fact God's are best. But I beg or I guess plea, don't waste the sickness. What I mean dear brother, speak Christ, show Christ to every one, may some be saved through this. I find it is too easy to forget those around, when in and out of hospital. I know as we face our struggle God say I am with you. Rejoice rejoice sing and new song my brother.

In Christ

Charlene

Psalm 118
Praise to God for His Everlasting Mercy
1 Oh, give thanks to the LORD, for He is good!
For His mercy endures forever.
2 Let Israel now say,
"His mercy endures forever."
3 Let the house of Aaron now say,
"His mercy endures forever."
4 Let those who fear the LORD now say,
"His mercy endures forever."
5 I called on the LORD in distress;
The LORD answered me and set me in a broad place.

Praise God whose Mercy endures forever

Thank you Lord may Your wonderful hand continually touch this family protect and lead them more closer towards you
