Are you finding yourself searching for motivation to serve God and share your faith? Pastor Francis Chan wants to put things back in perspective with "Luke Warm and Lovin' It." Some of you are already familiar with Francis- here is probably the most important, controversial message he's delivered to his congregation.

I actually went to his website and found that you can get his sermons on itunes. I downloaded it and listened to it. What a great challenge.

He asked his congregation to pray and ask God for 3 things:

- 1)Am I on fire for you? Or am I caught up in the world? Reveal to me the areas in my life where I am lukewarm.
- 2)Give me strength in the areas where I am lukewarm.
- 3)Do whatever it takes to get me on fire for you. Take whatever is hindering me. Everything I own, even my loved ones, whatever is holding me back, I want to be on fire for you.
