### **RUN FOR YOUR LIFE FROM THIS END-TIME DECEPTION!!!**

*by Josef Urban*

(2Co 11:4). For if he that cometh preacheth another Jesus, whom we have not preached, or if ye receive another spirit, which ye have not received, or another gospel, which ye have not accepted, ye might well bear with him.

The "Jesus" that Todd Bentley is preaching is not the Jesus of the Bible. His "Jesus" doesn't preach and emphasize deep repentance, denying self and carrying the cross, selling one's possessions to give to the poor and needy, forsaking ALL to follow him, and freely bestows his "anointing" on all who have heretical or bad doctrine and loose, immoral lives.

The "spirit" that Todd Bentley is operating under is causing manifestations that DO NOT APPEAR anywhere in the Bible. He has been known to cause animal manifestations as well (clucking like chickens, barking like dogs, etc.), all of which are manifestations that have long been associated with pagan and heathen religions but are found nowhere in Scripture, except with Nebuchadnezzar at the judgement of God.

The "gospel" that Todd preaches is a gospel of seeking after signs and wonders. It's hocus pocus. Angel feathers, gold dust, diamonds falling, seeing female angels, again, all of which are found nowhere in Scripture. Seeking after miracles and not after the face and heart and burden of God is a deadly delusion that will lead one straight into accepting "another spirit". There are MANY spirits in the world, which is why we are called both to test the spirits, and to test those who purport to be prophets and teachers by their DOCTRINE. Their doctrine must be solid and sound, and Todd's is more new age and hype than it is sound Bible doctrine.

(2Th 2:8-11). And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming. Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie.

We need not say that just because there are many genuine miracles, that the whole move must be of God. The Anti-Christ himself will do many signs and wonders. And the mystery of lawlessness (anti-Christ deception) is already at work in the world. Anti-Christ doesn't necessarily outright oppose Christ, instead, he counterfeits him.

(2Co 11:13-15). For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

Angel encounters are a constant theme in his meetings, and people just soak it all up, not even thinking to seriously question it. But who is to say these angels are truly the angels of the Lord God, and not emissaries of Satan sent to deceive? Todd claims that his healing anointing comes from an angel, but there is no record in all of Scripture of an angel giving somebody an anointing. The Holy Spirit is the only One who anoints God's ministers. If the anointing is from an angel, it's a huge red flag.

(Col 2:18-19). Let no man beguile you of your reward in a voluntary humility and worshipping of angels, intruding into those things which he hath not seen, vainly puffed up by his fleshly mind, And not holding the Head, from which all the body by joints and bands having nourishment ministered, and knit together, increaseth with the increase of God.

Glean what you will from that Scripture, but do note this, it is a very dangerous thing to speak constantly of angels and to give them the glory for an anointing. I don't want any part of an anointing from any angel, I only want the HOLY SPIRIT'S anointing, period. Because I don't know whether it's an angel of God or an angel of light sent to deceive.

(Mat 7:22-23). Many will say to me in that day, Lord, Lord, have we not prophesied in thy name and in thy name have ca

st out devils? and in thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

Note, just because somebody:

1. Calls Jesus "Lord"
2. Prophesies
3. Casts out demons
4. Does many \*wonderful\* works (which includes healing people)

Just because they do all these things DOES NOT mean they are of God! It's not a few, but MANY, that do these things and do not belong to the true Jesus of the Bible. The Catholic Church still does genuine exorcisms (casting out demons) to this day but they are serious idolaters who preach 'another gospel'. Signs and wonders is no proof of being genuine or not. The only way we can tell is by:

1. The doctrine of the teacher (2 John)
2. The fruit of their life (Mat. 7)
3. Discerning of the spirit they operate under (1 Cor 12)

May God open our eyes and ears, so we can all hear what the spirit says.

This is a time of exposing and revealing. Todd Bentley's heresy has been exposed and he has been revealed as a spiritual sham!!
