Video Section Update over 900 videos... - posted by sermonindex (), on: 2008/6/4 19:47

Saints,

I am excited to announce that there are now over 900 videos uploaded to youtube from sermonindex. There is still much work to be done but this is a great start. I also talked with godtube.com today and there is a good possibility of getting a lot of the content up onto their site also.

The main goal will be to re-code the "video sermon" section on sermonindex and pull ALL of the videos that have been uploaded on youtube and make them browsable and commentable on SI.

You can view the sermons on youtube here: <http://www.youtube.com/user/sermonindex>

You can view the video sermon section on SI here:

Looks great!

Praying for you and all of the volunteers that make up the SI ministry.
