Those who are burning the Bibles are not true practicing Jews but radical Muslims. But the truth of God's Word cannot be banned, burned, or silenced!! His Word endures forever!!

Back in the day they (at that time, the Catholic Church) not only burned Bibles, they burned those who would translate and distribute it. All it did was make people want it more.

Can you imagine what would happen if people started burning the Koran?

It almost seems as though the hostility towards Christians by Muslims surpasses the hostility Communists had towards Christians. Communists controlled a country and imposed their philosophy on people within its political borders. At least this is the way it *used* to be. Unless you want to declare that all this talk of silencing Christians' opposition to perversion - homosexuality, same-sex unions - is generated by Communists and there is good reason to believe this is the case.

Yup, we are confronted on every side: Islam on one hand and commies on the other. Any other political entity 'ism' out there I know nothing about trying to destroy the godly?

Ummm, could you explain your statement that it was radical Muslims who burned these New Testaments? (http://news.bbc.co.uk/2/hi/middle_east/7413134.stm) It's reported that it was zealous Ultra Orthodox Jews (religious students). The Ultra Orthodox Jew reminds me of Romans 10, particularly the first few verses.

"1Brethren, my heart's desire and prayer to God for Israel is, that they might be saved.

2For I bear them record that they have a zeal of God, but not according to knowledge.

3For they being ignorant of God's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God.

4For Christ is the end of the law for righteousness to every one that believeth. "

Although modern Judaism has strayed far from where it was in the time of the New Testament, still we can see in the zeal of these young Jewish men, the same zeal that led Saul of Tarsus to persecute Christians. We must pray for God to save these young men even as He saved Saul of Tarsus and totally changed him into being zealous for Jesus Christ and the Gospel.

I had not seen the BBC News report. What I meant was the true practicing Jew reveres the Word of God and would not dare to destroy it. But there are zealots (extremists) in every faith who are jealous for their repeat their own faith and desperate to preserve it!!

Thanks for the explanation. I agree with you. Amen!
