Hi, I'm new to this site, so bear with me. I have been deceived and have been delivered from it. Praise God. How? With the Word of God. Right preaching of the Word of God. Love the Word!

Dear maylfearHim,

Welcome here to the forum, I am glad you have been delivered from deception as so many of us.

I noticed you started a new blog with the same name of an existing one. When you want to contribute to an existing blog, please use the reply button, otherwise you start a new blog and the thread splits.

Don't worry, enjoy the company of fellow fugitives from Bablylon the moderators will fix it.
