Anyone familiar with Ellel ministry?

Anyone been there? What's your opinion/experience about this ministry? Doctrine?

Never heard of the ministry until now.

Viewed it, but still not ready to state an opinion, as if that matters.

Still, others might be more informed than I am about this ministry.

Let's see what they have to say, if anything.

Okay.

Anyone else?

In a while I got an appointment at their centre but I don't know who they are and where they stand for so that's why I asked the question.

Dirk,

I'd be wary of a ministry that doesn't post a statement of beliefs on their website. Be a Bereean as you approach their teaching.

Dave

Blessings, Dirk!

Intuitively, inside in that still, small voice, are you experiencing doubt?

The Holy Spirit seems to be compelling you.

Listen, please...

First I had a longing to go and thought that's God given at this time. But I started searching on the internet and it's kind of charismatic i think (nothing wrong with that) but I saw the leader and he was teaching sometimes at a bible school of so meone that I don't think is very biblical (a signs and wonders guy). That's when I started to get some doubt. That's a difficult thing because I want to go, but I don't know who those people are and what their background is etc. So I just cancelled the whole thing. God will make a way (but I hope i didn't walk passed it now :-).

Anyone know a teacher or pastoral writer named J. Adams (or G. Adams)? Someone said he wrote some books that could really help me. But I can't find anything about that writer.
