Greetings in Jesus name.

Until Brother Greg returns from his travels I will post a link on here, each week, where the prayer calls can be downloaded.

<http://www.box.net/shared/2ng74t8ylj>

There are some things on my heart I would like to share which have become stronger following the last prayer call and more so after downloading and listening to the call.

First some practical (more logistical type) pointers.

1. I have been blessed with the constant flow of prayer, earnest prayer and so forth. However, let us all be mindful that on a given call there are typically somewhere around 20 participants. With this in mind, I believe we should be careful not to pray too long at a time, maybe 1-3 minutes would be ideal.
2. Also it would be good to give short spaces (maybe 15-30 seconds) before praying additional times, to give others who have not prayed yet an opportunity to pray. I certainly am not interested in making this methodical, and want to leave His Spirit have free course, but I believe each of us must be careful not to dominate. This point is for me as well as anyone else.
3. There is a lot of distracting background audio at times. I would suggest using the mute button on your phone, when you are not speaking, especially if there is the possibility of other noise happening in the room. If your phone does not have a mute button, pressing *6 will accomplish the same thing, then pressing *6 again will un-mute you.

Secondly, on a more spiritual nature. I believe the Lord would have us to seek Him personally that we might be all He wants us to be, and that there would be nothing that would hinder our prayers. I am not against praying for revival for our land(s), but I feel the great need of the hour is that He would make us a burning and shining light, and start the work in us.

Am I being too hasty here in asking about last nights, October 7th phone prayer with Denny Kenaston? Just wondering about the timeframe the recording will be posted. Would actually like to request it be posted if there is no plan to.

All of the participants at this prayer conference have such a burden for revival. Prayer went up for the conference.

It was a privledge to meet the other brothers that were praying as well as brother Denny. We were both saved out of many of the same things the very same year. I would highly recommend his teachings. The one that I listened to just yesterday was Christ centered and very foundational to our Christian life on "The Christ Life".
