What could inspire hundreds of North American Christians to return to their homes and churches "on fire" for Jesus and ready to change the way they live their daily lives? What could motivate a young person to spend a year as an unpaid intern helping reach the lost of Asia with the Gospel?

It's the Gospel for Asia Renewing Your Passion Conference. It is returning to Dallas, Texas, July 11-13, and YOU are invited to experience it! Join us at the Hilton Anatole Hotel for three days of worship, prayer, fellowship and gripping, firsthand testimonies from the field.

"This conference has been the catalyst by which my life is being transformed."
