Vance Havner- Where is America Heading? - posted by petemoss (), on: 2004/7/13 2:30

After the radio program plays a song, his sermon starts. Vance compares America to the tribe of Rueben. Rueben stayed behind and did many patriotic events yet they would not participate in the battle. Makes statement that we shouldn't make Christian an adjective, but a verb. I really got a lot out of the sermon. Plain speaking and easy to understand. His points are clear and understandable.

I love the way Vance Havner preaches, yes he does have a very potent straight forward message, I am looking into trying to get more messages by him up on the site. Here is the file that you mentioned if others are wondering where to access it:

(<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid3007>) Where is America Headed? - This recording is pre-recorded as a digital message by Brother Johnny. It has an old-time tent meeting song and then a clip of Vance Havner's message 'Where is America Headed?' If you can survive through some of the song it will be worth the wait for this powerful message by brother Havner.
