this is a verse from the band rage against the machine i think its applicable to us today

It has to start somewhere It has to start sometime  
What better place than here, what better time than now?

All hell can't stop us now  
All hell can't stop us now  
All hell can't stop us now  
All hell can't stop us now  
All hell can't stop us now  
All hell can't stop us now

we have to be people who press through anything & everything going beyond the veil to catch a glimpse of his glory,  
we have to be prepared to forsake all to crucify our flesh & be touched with the coal from the altar so our eyes will never  
be the same our lips burnt,  
we need to wrestle with him till he blesses us with a visitation of his glory so our walk is 1 forever broken with the struggl  
e to have him come.

are we prepared to start here are we prepared to be a people saturated with GOD

It has to start somewhere It has to start sometime  
What better place than here, what better time than now?

All hell can't stop us now  
All hell can't stop us now  
All hell can't stop us now  
All hell can't stop us now  
All hell can't stop us now  
All hell can't stop us now

i hope this gets in ur spirit just as it says in esther maybe you have come to the kingdom for such a time as this?

Personally, I preferr a couple of verses from Steve Camp's song, Run To The Battle:

Some people want to live  
within the sound of chapel bells.  
But I want to run a mission  
a yard from the gates of hell.

And with everyone you meet,  
ah taken the Gospel and sharin' it well.  
But look around you as you hesitate,  
oh another soul just fell.  
Let's run to the battle!:-)

In Christ,  
Jeremy Hulsey
