Saints,

Please pray for my safe and "trouble free" crossing of the border into America. I will be going to the deeper conference: www.deeperconference.com and then to the Revival Conference.

I appreciate the prayers that God will prepare the way ahead for me.

Praying for you dear Brother..... And for those that might cross your path.

On their behalf: Be just a little gentle when you share the gospel, as the Holy Spirit is "quite enough power". :-P
