The Summit

See not the small trials and vexations of each hour of the day. See the one purpose and plan to which all are leading. If in climbing a mountain you keep your eyes on each stony or difficult place, as you ascend, seeing only that, how weary and profitless your climb!

But if you think of each step as leading to the summit of achievement, from which glories and beauties will open out before you, then your climb will be so different.

The Lord God is my strength, and he will make my feet like hinds' feet, and he will make me to walk upon mine high places. Habakkuk 3:19
