I can think of two reasons why you're not getting much response to this thread... 1) Links to YouTube are stronger discouraged by the moderators because of some of the questionable material available on that website... and 2) Benny Hinn is a non-issue on this forum. A person would have to be completely spiritually blind or deceived to not see Hinn for what he is. And if someone here really is that spiritual blind and deceived... there probably isn't much any of us can say that would convince them of the truth.

well i am sorry i put anything on here from youtube, i had no idea about that. And first and for most when you see someone putting other videos on here about paul washer you get the drift that it is o.k. The moderator already told me that it was not o.k, but i did not know. But seriously i don't send anything bad on here, i know what is edifying and what isn't. Somebody made a comment about benny hinn being talked bad about and i think it was you and you might have been being sarcastic or not about it. So i wanted to show everyone a video my friend and me had watched, i found it on youtube and i think that shows a very good side of how satan has taken over the word of faith movement. You know it would be nice if you would show more kindness in your words towards me, your a christian aren't you. I am sick of rude responses, please it hurts me a lot, when i am only here for kindness in truth. I have been hurt my own life and rejected even by many christians. I know the Lord and he knows i have never meant anything wrong in what i have done here. I am even sorry if it sounds if i am being rude back to you. But if what i put on here is not edifying or is evil to do then i am wrong but i don't see it to be like that. To tell you the truth i personally have got to the point where i don't even turn to anyone for help anymore in my problems not even christians because they seem to think i have no problem truly or that if their answer doesn't affect me the way they think it should then look at me as an abuser of them and wasting their time because i am not taking their words of knowledge. Well if they only knew my situation and would even humble themselves into my shoes and even when they don't understand me completely will feel my pain and be in my tears so they can understand my pain and be of the same mind towards me and take on my burdens like the scriptures say.

hey brother... it's not that you would link to anything inappropriate this forum... but it could be a temptation for someone to start "surfing" YouTube and get into trouble.

i understand, you our right. I am sorry for my response, i actually have had christians that i have known completely just kick me out of their life and i am very hurt. I see it as God doing it to me because of my disobedience to him for so long, i just feel hopeless and that everything is going against me. But i am sorry.

Re:, on: 2008/10/30 15:45

Well... I wont kick you out of my life. I dont know you, but I do love you. You're my brother.

Of course I accept your apology. I forgive you.

Is it ok if I pray for you?

yes it is o.k for you to pray for me.

Re:, on: 2008/10/30 16:30

I'm not your enemy, brother. Never have been. Considering the hurt you're going thru I can certainly understand why you read too much into the things I say. But just know that you're in my prayers, and if there is anything you want to discuss with me... PM me and I'm more than willing to help out or listen... whatever u need.

Hi bible1985,

I did check out this documentary and was filled with fear for these men. It is difficult to believe that many of these people have no sense of dread that they will one day be held accountable for their robbery of widows and ignorant ones.

I know several widows that are inundated with solicitations from various ministries requesting donations. They lay horrible guilt trips upon them with stories of sorrow that are shameful.

As a mail carrier, it is difficult delivering this sort of "junk mail".

Go to now ye rich men, and howl for your miseries that shall come upon you.

Your riches are corrupted, and your garments are moth-eaten.

Your gold and silver is cankered; and shall be a witness against you, and shall eat your flesh as fire. Ye have heaped treasure together for the last days. James 5:1-3

What do these men think when they read these scriptures?

Hi Bible1985,

Is it possible that God is taking these people out of your life so that He can heal you? Those that truly love the Lord will come to their brother's side when he is in despair, for those that are His are all of one Body.
