Updated Contact Us page (online donations) - posted by sermonindex (), on: 2008/10/31 11:55

Saints,

I have had some requests asking if there is a online donation section. We had taken off that entire section but I have re-added a simple link here as a alternative: <https://www.sermonindex.net/modules/contact/>

Q. Supporting SermonIndex?

Answer. Prayer support and covering is the most important aspect of support for this ministry. There is a aim to allow sermonindex to run with as little overhead as possible and in Gods grace this has been accomplished. Greg Gordon is the founder of SermonIndex and currently maintains the ministry full-time. He is currently a lay-minister with the Canadian Revival Fellowship and raises support full-time through the CRF. You can contact the CRF at 1-800-273-7273 to support Greg Gordon. You can also support SermonIndex.net via paypal online here: [Donate Online](#)
